Attorney Salzman stated he will be meeting with County Legal regarding the process and moving forward. The County will continue to be involved until the next vote. Human Resource issues, Billing issues, etc. will need to be addressed and handled. They will need to make sure everything is in place when the date of enactment occurs.

Chairman Jacobs pointed out they will operate under the 73-12 ordinance guidelines and the county already oversees the budget and approved this year's budget. They must continue the same because they are not independent yet..

Commissioner Giammarco asked that the pending lawsuit against the County be dropped by Spring Hill Fire Rescue District.

Attorney Salzman explained there is no lawsuit. Also, the lawsuit was in abeyance. He will check with the Court file, but with a year of no activity on the lawsuit, it is automatically dropped.
